

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

14 In this action on a petition for writ of habeas corpus, respondents have filed their Answer to
15 petitioner's Amended Petition and petitioner has replied. Although this matter has a complex
16 history, it does not appear that a complete state court record has ever been provided. Given the
17 claims at issue, which require the Court to review that record including the trial transcripts, the
18 record must be supplemented.

19 **IT IS THEREFORE ORDERED** that respondents shall have thirty days to supplement the
20 state court record with a complete set of transcripts for the criminal proceedings, including a full trial
21 transcript.

DATED: This 17th day of June, 2013.

R. James
UNITED STATES DISTRICT JUDGE
